### **DETAILED ACTION**

1. Claims 1, 17, 35 and 43 have been cancelled.
2. Claims 2-16, 18-34 and 36-42 are pending.

### ***Allowable Subject Matter***

3. Claims 2-16, 18-34 and 36-42 are allowed
4. The following is an examiner's statement of reasons for allowance:

With respect to independent claims 2, 15, 26, 34, 37 and 39-42, the art on record teaches controlling installation of software including an installation center, the installation center having access to first and second secret values associate with a copy of the software for installation. The art on record teaches an unencrypted installation client, the installation client incorporating the first secret value and an encrypted portion of the software, wherein the encrypted portion of the software is encrypted with a first key value derived from the first and second secret values and wherein the unencrypted installation client is configured to receive the second secret value from the installation center to generate the first key value, to decrypt the encrypted portion of the software and to install the software.

However, the art on record does not disclose, teach or fairly suggest generating a second key value from the first key value and the first secret value, encrypt the decrypted portion of the software with the second value and store the portion of the software encrypted with the second key value. The art on record does not disclose, teach or fairly suggest associating a first key value with identification of copy of a software as an updated second secret value.

5. The dependent claims, being further limiting to the independent claims, definite and enabled by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
